Attn: Mr. Stuart Wilkinson  
Equipment/Warehouse Manager

Sub: Troubleshoot Water Treatment Trailer

Dear Sir:

Per your request we are submitting lump sum pricing to perform the subject work scope. This pricing is based on proposed scope outlined during our site visit.

The basic scope of work is as follows:

- Hook up temporary power to trailer by using existing building power, transformer and cable.
- Troubleshoot and document the existing conditions of water treatment trailer.

The lump sum price for the work is (\$3,900.00) Three Thousand Nine Hundred Dollars.

**Clarifications:**

1. We have not included removal, handling or disposal of hazardous wastes.
2. Our price is based on a working schedule of five eight hour days per week, Monday through Friday, less holidays, and during normal working hours.

We thank you for this opportunity to submit our proposal on the above electrical work and trust we may be permitted to serve your needs.

Very truly yours,  
Meade Electric Co. Inc.
